25X1 6. Senate Appropriations Committee staff and former Agency employee, called and advised that he had received good news from the brother of a former agent contact of his. the presiding judge dismissed the charges. 25X1 just written a note saying he was pleased to hear the news. 25X1 7. Met with Mr. J.R. Blandford, Counsel, House Armed Services Committee, and advised that the allegations in this morning's Washington Post on the Castro assassination plot are pure fabrications. I did not request any action on the matter on behalf of the Director but only passed it on as a matter of information for the Chairman or other Committee members who might raise the question. 8. Sextable 10. Talked to Senator Symington several times during the day. The Senator indicated that he was adamant against the position proposed by Senator Mansfield. The Senator discussed his desire to place his comments in the RECORD concerning a matter of comment without reference to the Foreign Relations Committee resolution. In discussion, and the Washington Post item elating to the Castro charges were also discussed. After consultation with Mr. Helms, draft statements on the last two items were provided Senator Symington to supplement the material he already helds with regard to	25X1	5. Dropped by to see Robert Michaels, House Appropriations Committee staff, and advised him that the Agency was not involved in the alleged Cuban landing and assassination plot as described in this morning's Washington Post.
